

Market Maker Events Announces New Dates For Southeast Flooring Market

(Marietta, GA) – August 31, 2020 – **Market Maker Events** announces new dates for the 2021 Southeast Flooring Market. The Southeast Flooring Market (SEFM) will now take place January 28-29 at the Cobb Galleria Centre in Atlanta, GA.

“We are excited about moving our market to January 28 as it reflects our survey results supporting the move of our market to the end of January, says Barbara Stroup, Managing Partner of Market Maker Events. “This gives buyers enough time to get through the holidays and begin settling in to the new year. We would like to thank all of our exhibitors that are committed to supporting our industry and answering our buyers’ needs by exhibiting in our regional markets and joining us in Atlanta.”

We talked with Lacy Carver of Carver Floor & Tile who told us, “I feel that moving the [SEFM] dates to later in January is beneficial, even going forward. This gives us a little more time to wrap our minds around the new year before diving into product introductions.”

Additional information regarding the market, as well as travel and accommodations, is available at flooringmarkets.com in the [COVID-19 Resource Center](#).
