By agreeing to this code of conduct, you are making a commitment to follow the below guidelines and have read, understand, and agree to the below terms. If you are registering for another member of your team, you are accepting the Code of Conduct on their behalf and will be taking responsibility for their approval.

It will not be possible to entirely eliminate the risk that an attendee or exhibitor will come into contact with the Coronavirus – or with someone who is carrying it – despite the measures outlined above. We believe, however, that the proper and consistent implementation of these protocols will make the Flooring Markets as safe as can reasonably be achieved, and far safer than many public environments. We all have a role to play in the mitigation of risk.

Before leaving home, please evaluate the current state of your own health as well as the people you are in close contact with.

No exhibitor, attendee nor buyer will participate in the market if you:

1. Are in self-quarantine.
2. Have been in contact with or exposed to COVID-19 in the past 20 days.
3. Are not willing to adhere to the NO CONTACT policy that states: Market participants will not shake hands, give fist bumps or high-fives with anyone on the market floor.

In addition to the above commitment, exhibitors, attendees and buyers agree to:

1. Wear a mask at all times while on the market floor and within the market facility.
2. Not knowingly endanger anyone on the market floor with coughing, sneezing or spitting in any area. Sneeze or cough into your arm or tissue.
3. Wash hands often and thoroughly with soap and water for at least 20 seconds. We also advise using hand sanitizer frequently.
4. Practice safe distancing by 6' in both exhibitor booths and in public areas of the market floor and facility.
5. Always follow the directional marked paths on the market floor and in public areas.
6. Agree to have your temperature taken before entering market if required by show management.
7. Immediately proceed to the First Aid area to report your illness and follow all local health department protocols if feeling ill or feverish.

If you test positive for COVID-19 up to 14 days after returning from market, please contact show management to inform them.

The Flooring Markets expect market attendees and exhibitors to respect each other and behave in a generally civilized fashion. Market attendees and exhibitors should respect common-sense rules for public behavior, personal interaction, common courtesy, and respect for private property. If you wouldn't do it at home, please do not do it at market.
