

Market Maker Events Announces New Dates for Southeast Flooring Market

The Southeast Flooring Market moves to March 11-12, 2021.

(Marietta, GA) – December 17, 2020 – Market Maker Events (MME), producers of the Flooring Markets, announces the Southeast Flooring Market, will now take place March 11-12, 2021 at the Cobb Galleria Centre in Atlanta, GA

“As we look forward to the Covid-19 vaccine being deployed, we feel the opportunity to move the market to March is a great opportunity offered to us from the Galleria to ensure the comfort of our community,” says Barbara Stroup, Managing Partner of MME. “Our current exhibitors support the move to March, and we anticipate adding more companies to the lineup as we move forward.”

“Stanton is pleased that you [Market Maker Events] were pro-active and have moved the Atlanta market dates to March 11 & 12. This has always been a well-attended show for us and we are looking forward to another great Atlanta market,” says George Forte, Executive Development Director of Stanton Carpet.

We’ve received positive feedback from buyers as well including Dave Sterne, Founder & CEO of The Inside Track. He told us, “As the owner of a 23 year old flooring company, I know how important it is to see and learn about new products IN PERSON. I applaud your dedication to the flooring industry as well as our safety – I look forward to attending the Southeast Flooring Market this spring.”

The regional Flooring Markets’ schedule also includes the Gulf Coast Flooring Market on February 25-26, 2021 at the Mississippi Coast Convention Center, and the Southwest Flooring Market on April 8-9, 2021 at the AT&T Stadium.
