DEALER INVITES PROGRAM

MARKETING TOOLKIT

Custom Dealer Invites

The Dealer Invites Program is accessible through the exhibitor services tab on the marketing toolkit page and includes customized brand assets to share with your current and prospective dealers so you can build your lead list and drive traffic to your booth.

Non-Tech Version: We have a couple of options for those of you who prefer to invite your customers by mail or in person. Flooring Markets provides each exhibitor with complimentary unlimited appointment postcards and customized PDFs that you can email to customers or print and send out with your reps.

Invite Buyers by Email

Customized Email Template

Your email comes coded with your company's promo code. All you need to do is send your company's branded email to prospective and current dealers to register for market.

Option 1: Sending to Multiple Recipients

Step 1: A pop-up window will appear where you can edit the subject line, schedule the send date and time, and add the recipient(s) email address(es).

Note: To update your "From address" and "Company Name", you will need to update your information on the "Edit My Profile" page.

Step 2: Select the SEND TO LIST button next to SEND SINGLE INVITE and a drop-down will appear. Form here, you can either

download the template to use for upload OR upload your contact list by selecting the upload button at the bottom of the pop-up.

Step 3: Once you have either input your recipient's email address(es) or upload your list. Select the blue ok button at the bottom right-hand corner to deploy.

Option 2: Sending to Single Recipient

Step 1: A pop-up will appear where you can edit the subject line, schedule the send date and time, and add the recipient(s) email address(es). NOTE: To update your From Address and Company Name. You will need to update your information on the Edit My Profile page.

Step 2: Select the Send Single Invite button and then type or paste your desired email(s) into the To Address box/line.

Step 3: Once you have either input your recipient's email address(es) or upload your list. Select the blue ok button at the bottom right-hand corner to deploy.

Option 3: Sending Through Your Email Marketing Platform

Step 1: A pop-up will appear where you can edit the subject line, schedule the send date and time, and add the recipient(s) email address(es). NOTE: To update your From Address and Company Name. You will need to update your information on the Edit My Profile page.

Step 2: Your exported invite should appear in your downloads folder on your computer. Once downloaded, you can access the HTML code and upload it directly to your email marketing platform.
