

## 2022 Flooring Markets Registration Now Open

*Complimentary registration for all attendees and exhibitors*

**(Marietta, GA) – August 18, 2021— Flooring Markets ([flooringmarkets.com](https://flooringmarkets.com))**

announced today that online registration is now open for the 2022 Flooring Markets: Atlanta, Dallas & Biloxi. The Flooring Markets are scheduled for January 6-7 at the AT&T Stadium, Arlington, TX, January 26-27, at the Cobb Galleria Centre, Atlanta, GA, and February 17-18, at the Mississippi Coast Convention Center, Biloxi, MS. Market Maker Events, producers of the Flooring Markets, would like to thank all of the exhibitors that are committed to supporting our industry and answering buyers' needs by exhibiting in our regional markets.

The 2022 markets will continue to adhere to local, state, and facility guidelines as well as CDC recommendations to ensure safety is top of mind.

“We look forward to welcoming attendees and exhibitors back to our markets in 2022, says Managing Partner, Lori Kisner. “Our industry depends on face-to-face contact to source and present new products as well as to strengthen business relationships. Our market sanitation and safety standards will remain in place and will be updated as required.”

When we spoke with our customers about the upcoming events, Kaitlyn Harris with RFMS, Inc. told us, “All of us at RFMS have thoroughly enjoyed exhibiting at the Flooring Market over the past few years! Everyone we work with on the MME Partners team is always very helpful, quick to reply, and a pleasure to talk to. They truly care about each event being successful for everyone involved. We are very excited and expectant for the 2022 Flooring Markets!”
