“We look forward to welcoming attendees and exhibitors back to the Flooring Markets in 2023. Industry research shows that attendance at flooring events is expected to increase dramatically in 2023, and our regional events provide attendees and exhibitors with convenient venues to conduct business,” says Lori Kisner, Managing Partner of the Flooring Markets & Market Maker Events.

Top flooring exhibitors are looking forward to sharing their new products in-person and connecting face-to-face with their buyers. Many manufacturers who abstained from exhibiting during the midst of Covid are coming back to exhibit again including Mohawk Carpet Distribution, Daltile, MSI, and more.

“Valencia Hardwoods is excited to be returning to the Southwest Flooring Market for 2023! It's such a great opportunity to connect with flooring industry partners, build new relationships and enjoy time in some of the great sporting venues in Texas. Drop by to say hello at booth #26!” says Nathan Bergstrom, Director of Marketing at Valencia Hardwoods.

In addition, Shaw’s annual dealer meetings in Dallas & Atlanta will once again align with the Southwest & Southeast Flooring Markets.

Flooring buyers are ready to attend market to source new products and set their businesses up for success.

“We feel that Market is extremely important for our business and for our customers! Keeping us up to date on all of the NEW products coming in the new year.
